EMPOWERING INVESTMENT: If you feel like the money you can afford to donate won't measure up to the size of an organization's needs, YWCA of Lancaster may have an option for you.

Anyone can join its new donor club, the Empower Ring, for \$25. The club's goal is to recruit 100 members before Aug. 31 so it can fund a \$2,500 project. Then, on Sept. 23, all Empower Ring members will meet to hear a staff presentation of potential projects, and to vote on the one they want to fund this year.
