YWCA To Offer “Empower Ring”

There is a new way of helping the YWCA of Lancaster fulfill its mission of empowering women. For a fee, anyone can join its new donor club, the Empower Ring, and decide how the money collected through the club will be used. The club's goal is to recruit 100 members by Tuesday, Aug. 31, so that the Empower Ring can fund a \$2,500 project.

On Thursday, Sept. 23, all club members will meet at the YWCA to hear staff present a wish list of projects and to vote on the one they want to fund. For more information or to join, readers may visit www.ywcalancaster.org.
